ART & CULTURE

As Dubbo evolved to become a thriving regional City, so too has it's cultural character. Art and culture are now a vital part of the City's ongoing growth and development, offering visitors and residents many opportunities to connect through a range of unforgettable experiences

The quickly evolving cultural scene has led to the development of an \$8 million Western Plains Cultural Centre and the \$18.5 million Dubbo Regional Theatre and Convention Centre.

Western Plains Cultural Centre (WPCC)

Situated in the heart of Dubbo and managed and operated by Dubbo City Council, the WPCC is a multi-purpose site that not only presents exhibitions of visual arts and heritage, but is also a sought-after venue for community groups, business, government agencies and private groups to fulfill a variety of requirements. www.wpccdubbo.org.au

Community Arts Centre

The Community Arts Centre (CAC) is available for groups and/or individuals from the region. Comprising a wet studio, dry studio, darkroom and general rooms, the CAC aims to develop and cultivate cultural production in the region.

Jazz Festival
Since 1990, the Dubbo Jazz Festival has been drawing enthusiasts and musicians from all over the country. This event is held every August at a variety of venues, from vineyards to vestories.
