

THE DUBBO EXPERIENCE

Welcome to Dubbo! Enjoy your ultimate three-day Dubbo Experience.

Whether you're embarking on the great Australian journey or you just want to get away from it all, be sure to make Dubbo a priority stop-over on your travel odyssey.

The following is a suggested 3 day itinerary to ensure you make the most of your *Dubbo Experience*. Encounter the City's unique offerings; connect with nature and immerse yourself in our City's diverse culture.

Day 1

Taronga Western Plains Zoo

Obley Road | (02) 6881 1400

Get away from it all; launch your Dubbo experience with a visit to the iconic Taronga Western Plains Zoo.

Find yourself surrounded by fascinating wildlife on vast open plains and allow yourself to be immersed in the unique serenity of Taronga Western Plains Zoo. The 6km circuit is surrounded by magnificent bushland with animal exhibits and picnic grounds situated along the way. Whether you travel by car, bike, electric cart or trek on foot at your own leisurely pace, your experience will take you through some of the most distinctive global wildlife habitats in the world - from the savannah grasslands of Wild Africa where zebras, rhinos and cheetahs roam, to the *Big Cat Encounter* where the Sumatran tiger and African Lion call home.

Taronga Western Plains Zoo is a proud partner in global endangered species programs. Witness how a modest Australian zoo in central NSW is making a significant contribution to the conservation of wildlife, assisting threatened species to breed, protecting their genetic diversity and even re-introducing them to the wild.

Soak up the delicious serenity; enjoy that 'novel on the go' as you bathe in the sunlight amongst the tree lined picnic areas. The perfect remedy to close your day is an icy-treat from Bakhita's Cafe'. Enjoy tasty Australian cuisine or simply grab a quick refreshment as you watch the Spider Monkeys and Lemurs frolic on the islands of the Savannah Lake.

We recommend:

- 1 full day or 2 half days (your ticket is for 2 consecutive days).
- Make sure you don't miss out on your favourite animals, plan your visit by [downloading a map](#) in advance.
- You pack a picnic and enjoy refreshment or lunch under the shade of a eucalyptus tree in one of the many picnic areas scattered throughout the site.

Day 2

Taronga Western Plains Zoo

Obley Road | (02) 6881 1400

Spend a few hours catching up on what you may have missed on Day 1. Remember, there are over 500 animals to see so don't waste a minute. If you're eager, start at dawn as the animals awaken; leisurely-guided early morning walking tours are a fantastic way to see the world's exotic and endangered species before the zoo opens. Informative and entertaining, the walk is suitable for all ages and fitness levels, taking approximately 2 hours to complete.

Opt for a relaxing breakfast while you're here, tea and toast by the Savannah Lake proves a delightful start to your second day.

If you prefer to start a little later, keeper talks are a great way to learn more about the Zoo's animals. This is a time where you can marvel at the incredible beauty and abilities of some of the Zoo's most amazing animals – see a koala up close, feed a Giraffe, book a meerkat encounter or learn more about wildlife at one of the daily shows.
