Promote your event in the heart of Dubbo

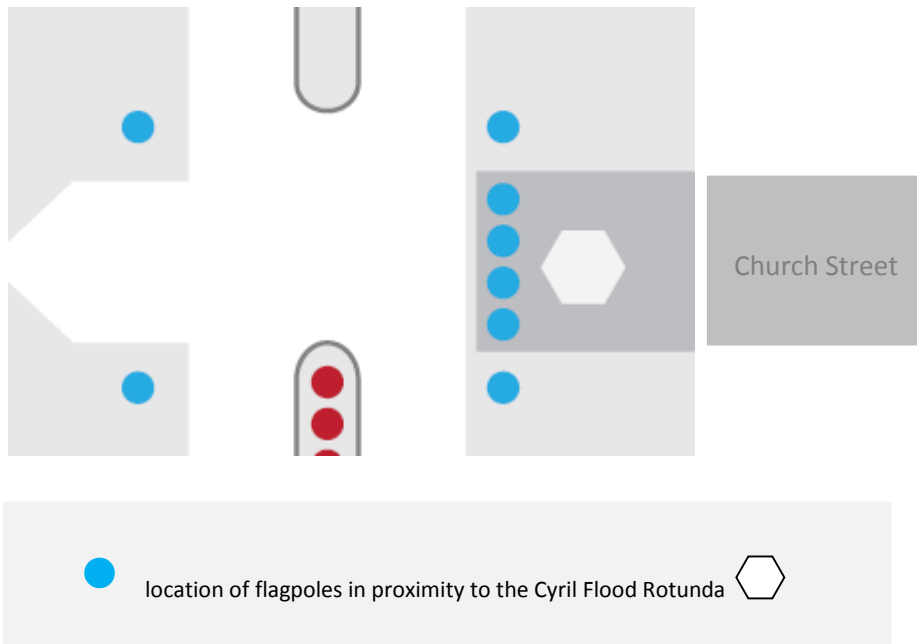

## CITY BANNER PROGRAM

### Promote your event in the heart of Dubbo

The City Banner Program was implemented in 2011 to add colour and movement to Macquarie Street, and to increase the aesthetic appeal of the City's CBD.

Whilst the Program sits under the City Development Partnership Program, acknowledging businesses that support destination marketing and the positive promotion of Dubbo, the flag poles located at the junction of Macquarie and Church streets are now available to help promote events.

For \$110.00 per week you can promote your event on eight (8) flagpoles located in a premium location in Macquarie Street. The poles surround the Cyril Flood Rotunda and have optimum visibility.

There are four phases to choose from:

- Phase 1:* 28 June 2016 – 20 September 2016
- Phase 2:* 20 September 2016 – 29 November 2016
- Phase 3:* 10 January 2017 – 11 April 2017
- Phase 4:* 11 April 2017 – 11 July 2017

For a total of \$1320.00 (including GST) your event will be promoted in the heart of Dubbo for 12 weeks. Cost includes production (double-sided, on block-out fabric), installation and removal. Cost does not include design.

## Design

Design is the responsibility of the event. Specifications are as follows:

- Only 1 design is permissible across the eight flagpoles
- No more than 3 logos are permitted with the logo space – 10% at the bottom of the banner.
- Artwork must be provided to the following specifications:
  - 1 template - 4000 x 1000mm Illustrator EPS
  - Bleed – 12mm Top, 2mm sides and bottom
  - Links / images / logos must be embedded
  - CMYK with reference to SPOT / PMS colours
  - Fonts outlined
  - No drop shadows / effects to be used
  - Low resolution JPG for quick reference

ensure installations proceed

To help make the design more effective, it is recommended that:

- One bold striking image or graphic design is used and overall graphics are kept simple.
- Font size should be large enough to ensure readability against a bright sky and legibility from a distance.
- Colour selection is important to guarantee visibility against both the sky and city landscape.
- Montages and slogans should be avoided as the design will be hard to see from a distance.

### **Terms and Conditions - design**

- Each banner can have a **maximum of 10% of the total banner allocated for direct sponsorship recognition**, such as a company's logo or naming rights. Logos must be placed at the bottom of the banner. (example left)
- Web addresses, social media handles, phone numbers, are not permitted
- All costs relating to the design of banners are to be met by the event.
- Artwork must be provided to the specifications above by the deadline applicable to the round in which the banners will be installed. Failure to provide artwork by the deadline may result in Council cancelling the booking to schedule.
