**Jordan C Thomas Band** - Fresh and authentic swingin' smooth jazz. . You'll find Jordan in his element slaving over his big old 1954 Gibson ES 150 in front of his band (guitar, horns, double bass and drums) It's cool it's old school - their blend of jazz, rockabilly, jump swing and more will have you on your toes: & the voice, its mellow, its cool, its liquid gold.

**David Harvey** -A solo acoustic guitarist who knows his way around the fretboard whose influences include Django Reinhardt & Bruce Mathiske.

**The Chalkies** - Local band that loves to play. From Trad to current jazz.

**Tin Roof Big Band** -Wellingtons own Big Band offshoot from the Town Band led by Eric Smith.

**Honey Drippin' Mudskippers** - Bona Fide Pre-war hokum billy jug music. Jugband, Dixieland, ragtime & hokum blues.

**Macquarie River Mudflappers** - Blues, jazz and roots make for an exciting mix of music to get you flapping!

**Red Earth Ukes** - Our very own Dubbo Ukulele Band, playing their blend of jazz, folk, and blues - uke powered.
