Dubbo is the preferred location for staging Australia's largest annual Paint Horse show. Why? Organisers say it's the City's central location that appeals to breeders, competitors and Paint Horse enthusiasts.

Dubbo has hosted the popular national event for at least a decade at its showground, catering for 200 participants, their horses and 'several times more than that who come along to support the event'.

Such is the interest in the Paint Horse Association of Australia National Show, for the first time this year organisers will broadcast segments of the Show world-wide via the internet.

The Show, held during the Easter break, is a high point of the year for Paint Horse breeders, competitors and enthusiasts, with many travelling from all states of Australia to attend.
