### **Terramungamine Grinding Grooves Tour**

There has been a strong Aboriginal presence at Terramungamine that dates back millennia. Come on a tour with a Tubbagah Traditional Owner to hear how this site is important to the Tubbagah People for many reasons, these include:

- grinding grooves where local tribes sharpened their tools and spears;
- an important gathering area for tribes throughout the region;

### **Dawn Macquarie River walk**

This early morning activity is an easy walk and a great chance to observe nature waking up along the river. It is an opportunity to learn about the inland river environment and investigate the pressures of climate change on our precious natural resources. There will be a yummy BBQ breakfast served afterwards.

Meet: Dubbo Visitor Information Centre in Macquarie street
