### Zoo Snooze *(optional)*

Zoo Snooze is a unique sleepover experience and a great way for your students to learn about animals and the environment. Zoo Snooze is great fun and can be incorporated into any curriculum-related excursion for your students. It's also good for team building.

Your students will:

- Enjoy a BBQ dinner and supper under the stars
- Discover wild creatures on your 'after hours' zoo walk
- Get close to a variety of mammals and other Zoo 'residents' with a lesson in the Education Centre
- Enjoy breakfast then go 'Behind the Scenes' on an early morning walk
- Spend the following day in the stimulating learning environment of the Zoo
