

W P C C SCHOOL HOLIDAY WORKSHOPS

The Western Plains Cultural Centre is pleased to offer **FREE** art workshops for the whole family in the January school holidays.

- All children must be accompanied by a responsible adult
- The workshops start promptly at 10.00am and last for one hour
- The workshops are suitable for children of all ages
- Workshops will take place in the WPCCC museum
- Only 20 spaces are available. Places cannot be pre-booked or reserved

10am Monday 22 January

Go digital and create a funky dream catcher by stringing coded beads together. Use the beads to create a secret message describing your dreams and resolutions for the New Year and incorporate them in a beautiful mobile to take home.

10am Tuesday 23 January

What does the future look like? Will robots begin walking the streets? Create a robot sculpture to take home. Will it be a helpful robot or a scary robot—you decide!

10am Wednesday 24 January

Learn how computer coding is like knitting as you create friendship bracelets using finger looms and coloured rubber bands. Keep your uniquely coded friendship bracelet for yourself or give it to someone special. (Please note: young children will need help from their parent or carer to make these bracelets).

10am Thursday 25 January

Mark Australia Day by celebrating our native animals. Transform a paper bag into a cute koala, parrot or frilled neck lizard puppet to take home.
